Posted by Brian Kalet - 2008/03/14 23:40

Access from Reno, NV

US 395 south

I-80 west

CA-89 north to Little Truckee Summit on left side of road

Drive Time: 56 min

Run:

I skinned up roads to the Mount Lola Trailhead, then gained Mount Lola's north ridge cruising over Mount Lola North in high winds and blowing snow. I continued along the ridge to the summit of Mount Lola. I quickly descended to avoid the winds. The trip was primarily a slog, but some good turns were found on the way.

Elevation: ~3300'

Distance: 22 miles

Time: 7 h
