Posted by Brian Kalet - 2008/03/18 19:32

Access from Reno, NV

US 395 south

I-80 west

CA 267 south to road on left side of road just north of Brockway Summit

Drive Time: 40 min

Run:

I skinned up Martis Peak attempting to follow roads, but soon abandoned them when I realized I was on the wrong road. The views from the summit were not great because of trees and poor weather. I skied the west face finding good dust on crust conditions.

Elevation: ~2000'

Distance: 7.5 miles

Time: 3:40 h

Looking west from the summit
